🏢 EXPERIENCE

iOS & ANDROID DEVELOPER

Aug 2015 - Mar 2017

[Edge5 AG](#) | www.edge5.com

I was responsible for developing native and hybrid apps for our customers, maintaining running projects, updating and expanding our in-house base infrastructure used for easier and faster app development, proposing new solutions and ideas.

iOS & ANDROID DEVELOPER / WEB DEVELOPER

Jan 2012 - CURRENT

www.andrejbroncek.com

Freelance work on various projects. Most of my work was based on Android, where my projects hit more than 3 million downloads. For the two years, I am focused more on iOS development. I like experimenting with new technologies on my personal projects.
